DESIDERI

PROTETTIVO

DESIDERI PROTETTIVO is a highly-washable transparent finish with a satin appearance. Once having dried, the product creates a hard protective layer with good resistance to normal household detergents, thus protecting the precious decorative effects below it.

Specific weight	approx. 1.03 kg/l
Yield	12-14 m ² /l in one coat
Packs	Boxes of 6 x 1 litre packs
Finish colour	transparent
Use	used for the protection of interior decorative products
